

Performance C Series

Fans 80mm/92mm/120mm/140mm

The Xilence Performance C PWM fan series excels with an extraordinary price-performance ratio and a very good proficiency combined with a low noise development.

The black and red case fans are equipped with PWM function as well as high-quality hydro bearings and are available in three different sizes.

Product Features

- Optimal performance in every situation
- Hydro bearing fan
- Airflow-optimized rotor blades
- PWM function
