

IRIScan™ Book

Effortless Scanning: Smart, Portable, Perfect!

IRIScan™ Book 7 is a light, autonomous, standalone, high resolution and Lithium-ion Polymer battery powered portable colour scanner that allows you to scan magazines' pages, books' pages or letter & A4 documents such as invoices, contracts or even your favourite recipes. All this without having to rip pages off and damaging original support of document.

It's the world's fastest portable autonomous scanner with down to few seconds needed to scan a document. Simply roll your way across the document and your scan will be saved automatically into the provided MicroSD™ card, ready to be transferred onto your PC or Mac. Once back at home, hotel or in the office, the scanned documents are automatically turned into editable documents by the worldwide used IRIS' flagship OCR software Readiris™.

Important to highlight that the brand new "Double Roller" design makes scanning extra stable and makes it the ideal tool for users with dyspraxia by making the scanning moves much more easy and fluent.

In other words, it offers exactly what a regular flatbed scanner may offer but scans faster, anywhere, on any kind of document support, without damaging it, and without warming up time needed, it gets the same image resolution level and all this on the go, without the need of a computer, and with an optimized ease of use! A new era of scanning just begun, let's then enjoy this powerful liberty of document capture solution, for everyone, on the go with IRIScan Book!

Key features

- Specially convenient for Sales Rep & Product Marketers (Press article, flyers, ads, product competitor specs, etc.); Logistic sector (warehouse clerk, packing slip, invoice, Air Way Bill, CMR, etc.); Legal & Insurance sector (complaints' documents, disaster documents, etc.); Health sector (Doctors' prescription, health insurances' document refund, Pharmacy, etc.); Education sector (students' lessons, courses documentation, training, etc.)
- Brand new "Double Roller" design, double roller drive scanning, makes scanning extra stable. Makes the use for users with dyspraxia much more easy and fluent.
- Cordless, fully portable & autonomous. Carry it anywhere!

- Save scans onto the provided MicroSD™ card.
- 1.5" Color screen (be safe your scan correctly).
- Up to 200 A4 pages per day.
- Powered by a Lithium-ion Polymer USB-C rechargeable battery.

Quick reference guide

Product name	IRIScan™ Book 7
SKU	464669
EAN code	5420079901452
UPC-A code	765010783854
Customs code	847190
Box size (H x L x D)	10.2 x 31.5 x 5.2 cm (4.02 x 12.4 x 2.05 in)
Box weight	410 gr (0.90 lbs)
Scanner size (H x L x D)	2.3 x 25.8 x 3.7 cm (0.91 x 10.20 x 1.46 in)

Scanner weight	200 gr (0.44 lbs)
Box languages	English, French, German, Dutch, Italian, Spanish, Portuguese, Arabic, Hebrew, Simplified Chinese
Box content	IRIScan Book scanner - Readiris for PC & Mac - USB-C to USB-A cable - USB-A to USB-C adaptor - MicroSD™ card - Transport pouch.

Specifications

Image sensor	Image sensor A4 color contact image sensor (CIS)
Resolution	300/600/1050 dpi
Scanning speed for A4 page	Scanning speed 300dpi 4 sec Scanning speed 600dpi 7 sec Scanning speed 1050dpi 11 sec
Capacity (A4 documents, based on 4 GB MicroSD™ card. Depends on the content complexity)	1050 dpi color : 500 JPEG images 600 dpi color : 1000 JPEG images 300 dpi color : 2000 JPEG images
File format	JPEG, PDF
LCD	1.5" Color with scanning status display/preview
USB port	USB-C
External memory capacity	MicroSD™ card / MicroSDHC™ card up to 32 GB
Battery type	Built-in rechargeable 900mAh Lithium-ion Polymer battery
Battery life (scanning to MicroSD™ Card)	750 pages daily after recharging (A4, 300 dpi, color)

Official certificates of compliance are available at: www.irislink.com/certificates

Minimum requirements

For Computer

- At least one USB-A port available.
- No driver installation needed!

Software and user guides only
available on
www.irislink.com/start/isb7

Software suite for Windows® or macOS®

- PC computer with Intel® or AMD processor
- Microsoft® Windows® 11, 10 (64-bit)
- Mac® computer with Apple-ARM architecture
- macOS® 15, 14, 13 or above
- Memory: 8GB RAM
- 4GB of available hard disk space
- USB 2.0 or above (1 available port)
 - USB adapter for macOS
- Internet connection for software download
