XILENT BEAM & XILENT BEAM WHITE

The Xilent Beam is not just a computer case - it is a perfect combination of aesthetics, functionality and powerful cooling. With its unique aquarium style, the case clearly stands out from conventional designs and offers an elegant look for the setup. The generous tempered glass panoramic window provides an unobstructed view of the installed hardware and sets it perfectly in scene.

The Xilent Beam not only impresses with its look, but also with its functional features; even during intensive gaming sessions, there is good airflow in the case.

Thanks to its sophisticated design, the Xilent Beam is the perfect choice for gaming enthusiasts and design lovers alike. Available in black and white - this case gives every setup a high-quality look.

Product highlights

Maximum airflow: The lower section is made of mesh for optimum ventilation.

3x pre-installed ARGB fans: Impressive lighting meets powerful cooling performance.

Modern & elegant design: classic black or elegant white.

Ideal for gaming: Enough space for powerful components.

Optimized cable management: Clean appearance thanks to well thought-out cable routing.

Design
